### **ABOUT SVO SU:**

The Student Veterans Organization (SVO) is a place for veterans to connect, network, and socialize in the Syracuse University community. All students, faculty, alumni, and dependents are encouraged to join. We offer a Veterans Lounge that provides a quiet place to study as well as provides opportunities for students to connect with other veterans. Through monthly organizational meetings we address issues specific to veterans needs, implement fundraisers, and organize events and outings for the veteran community.

Through support of donors like you, we are able to provide our veterans with a safe place to connect and network in a professional environment. Your donations keep our programs and events running and without you this would not be possible. We are grateful for your contribution and hope you will find use in our incentives for membership.

Interested in partnering with the Student Veteran Organization? Contact Jordan Robinson, president of the Student Veterans Organization, through email [jrobi03@syr.edu](mailto:jrobi03@syr.edu) or by phone 864.421.5869.
